OUR PROMISE, VISION & MISSION

Our promise is very simple: we will deliver competent professional services that exceed customer expectations through up to date security and fire safety measures designed for tomorrow's world.

VISION

To revolutionize the way the world approaches and prioritizes physical security and fire safety.

MISSION

We empower organisations to fortify their defences by delivering innovative, resilient security and fire safety solutions that identify risks, mitigate threats and cultivate a sustainable proactive security posture.

OUR VALUES

The guiding principles upon which Security Consultant was founded and how we strive to conduct our business.

Commitment: Be accountable, work together as a team and communicate clearly.

Innovation: Think outside the box, challenge constructively and act before others do.

Community: Create a positive place to work and support ethical initiatives.

Excellence: Always deliver exceptional quality, accomplish and improve.

Subject: Appreciation for Conducting Fire Drill at Sharwil School of Excellence

Dear Mr. Sanjay,

On behalf of the management, staff, and students of Sharwil School of Excellence, we would like to extend our sincere gratitude to you for conducting the fire drill at our school.

Your **professional approach, clear instructions, and hands-on demonstration significantly contributed to raising awareness and preparedness** among our students and staff. The drill was not only informative but also it was carried out in an organized and efficient manner, ensuring that all staff and students were familiarized with emergency evacuation procedures, helping instill confidence in our emergency response procedures.

e truly appreciate the time and effort you took to ensure the drill was carried out smoothly and safely. Your dedication to promoting safety and awareness is commendable.

We look forward to continued collaboration in future safety training programs.

Thanking you

Dear Mr. Sanjay Mistry,

We would like to place on records our sincere appreciation and thanks to you and your team for providing a demonstration of Security practices and precautions to be taken in the event of security threat, bomb ~~secure~~ scare and providing self defense tips to women.

Members of our society have expressed that the demonstration was useful and can be utilized in the event of unforeseen circumstances.

We once again extend our sincere appreciation and thank you and your team for the useful tips.

Thanking You
